

Dear Prospective Member:

We're so glad you're considering joining Local 2228, IBEW. In many cases, membership is optional so we're particularly excited that you're taking this step. Full membership has many benefits. Here are a few:

- The right to vote in Local Union elections;
- The right to vote on negotiated contracts;
- The right to submit bargaining proposals; and
- The right to attend union meetings and vote on motions.

More important than all of these is the right to have a say in the future of the Local Union.

If you remain a member in good standing for two consecutive years, you'll be able to run for Local Union office or Delegate to the International Convention. Every Local Union Officer was a new hire at some point in their career so none of these things are out of reach. But you don't have to wait two years to make a difference because any member can volunteer for any number activities including one of the most challenging: collective bargaining.

Joining is easy. All you need to do is complete the application form that follows and remit the \$5 admission fee required by the Local Union Bylaws. We'll take care of the rest and send you a welcome kit. Your membership will follow from the International Office in a few weeks.

Again, thanks for considering membership in our great Union. We look forward to hearing from you soon.

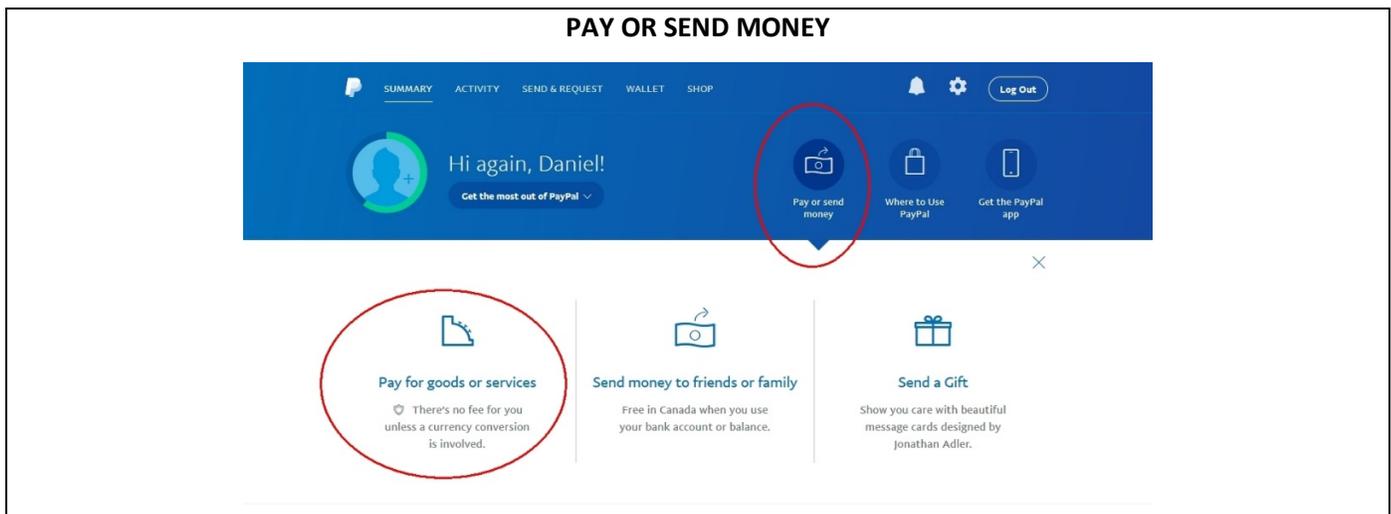

In Solidarity,

Paul Cameron,

Business Manager / Financial Secretary
