## Committee Work

The Executive Board leads a series of committees to deal with matters that are of particular interest to the Local. Participation on these committees is optional but it is also a good way to learn more about the Local, your fellow members, and contribute to the Local's growth. Please select the committee work that interests you the most.

- Transportation Safety Committee** - Monitors, investigates & reports on issues affecting transportation safety as it relates to the work of our members.
- Occupational Safety and Health (OSH) Committee** - Provides oversight to and promotes health and safety for our members in the workplace
- Technological Change Committee** - Identify, analyze and report on technological changes related to our work environment.
- Professionalism and Ethics Committee** - Develop, promote and monitor a professional attitude and behaviour within the membership.
- Workplace Rights and Benefits Committee** - Monitor, investigate & report on legislation affecting rights and benefits of members and the union
- Communication and Recognition Committee** - Lead internal and external communications activities. Provide opportunities for member recognition

## Why do you want to be a shop steward?
