10.2 In the event that a grievance or grievances involves a group or groups of employees covered by the Agreement, or in the event that the Union or employer wishes to initiate a grievance with respect to the application, then the grievance shall be rendered into writing by the Union or employer at the step involving the first designated official of the Management having jurisdiction over the employees affected or the subject matter concerned.

- 10.3 In the event that a designated official of Management is absent, and in the further event that a decision of the employer, as required under the grievance procedure, is not rendered within the time designated, it shall be permissible to advance the grievance to the next step of the grievance procedure.
- 10.4 With the consent of the parties, the time within which any step or appointment must or should be taken or made may be extended for such period of time as may be agreed to by the parties.
- 10.5 In the event of the Foundation filing a grievance, it shall be submitted directly to the Business Manager of the Union by the Foundation and the time limits and procedures will follow those set down in Step 2.
- 10.6 An employee who believes he has a justifiable grievance, shall discuss the matter with his immediate supervisor within ten (10) days of occurrence and such supervisor shall give a decision within forty eight (48) hours excluding Saturday, Sunday and Holidays.

**STEP ONE** If the employee is not satisfied with the decision rendered in accordance with the above, the employee may, within five (5) working days after the decision, discuss the matter with a Shop Steward, and if it is found that there is a justifiable grievance, the Shop Steward shall, within five (5) working days after the discussion, discuss the matter with the immediate supervisor. Decisions of the immediate supervisor shall be rendered within five (5) working days of this latter discussion.

**STEP TWO** If a satisfactory settlement has not been obtained under the previous step, then the employee within fifteen (15) days of the date of the decision under STEP ONE may render the grievance in writing to the Union. The Union may within thirty (30) days of the date of delivery of the grievance in writing, forward the grievance to the senior manager at CKUA, who shall call a meeting within fifteen (15) days of receipt of the grievance. If the parties are unable to resolve the matter within a period of thirty (30) days following the meeting, the grievance may be referred to arbitration, under the terms of the Canada Labour Code.

- 10.7 Within the following thirty (30) days of the referring the matter to arbitration, the parties through their representatives, shall agree upon naming a sole arbitrator or tribunal. If the parties are unable to agree on the selection of an arbitrator or tribunal the neither party may, within the following ten (10) days, refer the matter to the Canada Labour Relations Board to appoint an arbitrator.

10.7.1 The cost and/or expense of the arbitrator shall be borne equally by the two parties.

10.7.2 An arbitrator, to whom any grievance may be submitted, in accordance with this article, shall have the jurisdiction to interpret and apply the

provisions of this Agreement, insofar as it shall be necessary to the determination of such grievance, but shall not have the jurisdiction or authority to change, modify, extend, amend or alter in any way the terms of this Agreement.

## **ARTICLE 11                      LAYOFF PROCEDURE**

- 11.1 Definition – for the purpose of this Agreement the layoff procedure applies to, but is not limited to, shortages of work, reduction of hours of operation/work, reduction in operations or closure of operations. *Permanent Layoff shall mean a layoff resulting from a closure of operations or a layoff which, in the company's opinion, is likely to last for more than six months.*
- 11.2 When layoffs are to occur the Foundation shall determine the jobs to be affected and the number of employees to be laid off. The Foundation will provide written notice of layoff to the employees, with a copy to the Union, at least six (6) weeks in advance of the proposed date of the layoff or, *alternatively, the Foundation will provide six (6) weeks wages to the employee in lieu of such notice, or some combination of notice and /wages adding up to six (6) weeks.*

It is the intention of this agreement that long-service employees suffered NO loss of seniority as a result of the closure as regards to sick leave, vacation credits and other cumulative and related benefits, but only that the accumulation of severance eligibility began from 'zero account' status upon resumption of broadcast operations April 25<sup>th</sup>, 1997, in recognition of the full pay-out of severance upon cessation of operations. It also is understood that NO employee who was in good standing as a permanent member of staff and member of the bargaining unit at the time of closure, and who was retained by the Foundation upon resumption of operations, suffered any loss of seniority or the associated rights and privileges attached to seniority.
- 11.10 Seniority shall start from the date the employee last entered employment with CKUA unless specifically identified elsewhere.

- 12.3 An employee shall, with 3 days notice, be granted access to all files and information that relates to the employee that was compiled by the station and/or its management. The employee shall, upon request, be provided with copies of such information. Further, the employee may add a written comment to any document on file .

The value of progressive discipline with the aim of being corrective in application is recognized by the parties. Therefore, discipline or discharge for just cause shall be preceded by a documented record of counseling, warnings (written and oral) and/or suspensions. The union shall be copied on all notices and an employee may request the presence of a union representative at any meeting deemed to be disciplinary.

### **The steps in the process are as follows:**

*Not all steps will necessarily be taken and may vary considerably depending on the nature and severity of the performance issues.*

#### **Step 1 – Verbal Warnings**

A verbal warning is given to the employee and every effort is made to ensure that the employee fully understand what the requirements are. A record will be kept of the verbal warning(s).

#### **Step 2 – Written Warnings**

Details of the infraction and the additional information laid out above are committed to writing and a copy of the letter is placed in the employee's personnel file, with a copy to the union. The

letter will indicate that further infractions may lead to more serious disciplinary action up to termination. Reference shall also be made to the previous incidents and attempts to correct the behaviour.

### **Step 3 – Second Written Warnings**

Same as above except the letter states that further infractions will lead to suspension or termination.

### **Step 4 – Suspension**

For subsequent weeks, to the extend of sick leave available to the employee, the supplement is equal to 100 percent of the difference between the employee's regular earnings and the employment insurance benefits to which the employee is entitled.

- g. No further Maternity Supplement shall be paid following expiration of the elimination period for extended disability benefits or exhaustion of available sick leave, whichever comes first.

**VOLUNTEER PARTICIPATION AT CKUA**

**CKUA and the Union agree that Volunteers are an integral and beneficial part of CKUA operations. Volunteers make important contributions to and on behalf of CKUA and offer valuable support internally and externally.**

**Volunteers give CKUA access to labour, expertise and knowledge that does not exist within current operations and/or is not affordable within existing budgets; and Volunteerism provides CKUA a vitally important community connection, creating opportunities for people to learn, be engaged, and make contributions to and on behalf of their community, while helping CKUA.**

**Similarly, by welcoming and providing these learning, training and participation opportunities for volunteers, CKUA is also making a contribution to the community.**

**Volunteer opportunities can benefit CKUA by creating a potential pool of new talent, because of the training, mentoring process associated with the Volunteer activities.**

**Therefore, CKUA and the Union agree there is both a need and a desire for Volunteer participation and contribution within CKUA operations.**

**Principles for engaging Volunteers within CKUA:**

- **Volunteers should not take precedence over, take away from, or replace paid staff.**
- **Volunteer activities should be in a support capacity – filling gaps, providing labour or additional or unique expertise to augment CKUA services or activities that might otherwise not be affordable or doable; and to allow for training, educational, or community service opportunities for students, businesses and corporations, or the general public.**
- **Volunteer programming (on-air) opportunities should occur only outside of prime time.**

- **Volunteer programming (on-air) opportunities should augment, not replace staff programming**
