Executive Board Region 3 Representative Nominee International Brotherhood of Electrical Workers Local 2228

- I am deeply committed to fair and effective representation. I believe every member deserves to be heard and supported, and I am eager to contribute to that mission.
- As your Executive Board representative for Region 3, I will actively visit units to engage with our Brothers and Sisters and support the formation of new units.
- I am dedicated to fostering collaboration and ensuring that information flows freely between members and leadership and that Region 3 voices are heard at the Executive Board and beyond.
- My strengths include a positive attitude and excellent communication skills. I am confident these qualities will help me serve the region effectively and responsibly.
