ABOUT THE SCHOLARSHIP

The Scholarship was established to provide financial assistance to children of members of Local Union 2228. It carries the name of Bill Andreeff, a member who gave above and beyond the call of duty. The late Brother Andreeff served the Local Union with great distinction as Shop Steward, President, Vice-President, Recording Secretary, Treasurer, Executive Board Member and Unit Chair, and was also a Charter member. He gave unselfishly of his time and talent in making the Local Union an effective voice for all EL's, and showed great leadership in times of trial. His personal example taught respect and concern for all people.

WHO CAN APPLY

- Children of members of IBEW-FIOE Local Union 2228.
- Applied before and were not selected? You are still eligible to apply again.
- Already attending a college or university? You are still eligible to apply.

WHAT YOU MUST SUBMIT

- The official application form (page 2 of this document).
- Records of academic achievement - high school, college or university. Every transcript must include an explanation of the marking system unless it is clearly printed on the record itself.
- A complete personal resume of your notable academic activities to date.
- Two papers of 150-200 words each: one outlining your contributions to society to date, and one outlining the contributions you intend to make in your adult life. Judges look for concrete proposals - volunteering should read as a contribution to others, not as self-serving.
- Two letters of recommendation from people of recognized standing who know your abilities and performance, such as instructors. These may not be family members.

HOW THE WINNER IS CHOSEN

An independent Scholarship Selection Committee, made up of recognized academic and professional representatives, examines the complete record of every applicant. Consideration is given to academic transcripts, the essays, the resume and any other evidence such as financial need. The Committee reports the winner to the Business Manager, and the winner is then notified. One winner is chosen annually.

THE AWARD

- $2,000, paid directly to the student to help complete their academic studies.
- Once the winner is admitted to a post-secondary institution, the scholarship is renewed annually to a maximum of four years, upon proof of enrolment.
- If a serious or chronic illness intervenes after the winner has entered higher education, the scholarship is held in abeyance for one academic year.

DEADLINE - The application form, transcripts, recommendations and all other supporting documents must be received by the Business Office before September 30 of each year. Receipt of your material will be acknowledged.
